Date: 07.05.15

Dear Parent,
Greetings from DPS Guwahati!

Many thanks for your relentless support towards school policies and growth of the organization.

Looking into the safety of our dipsites while GPS system is being installed for tracking our school buses, I also extend my request and invite the Parents to come forward and commute with our students back home from school at 12.00 noon and/or at 1.45 pm respectively for the purpose of assessing and inspecting the quality of on-road driving and discipline among students inside the school bus.

Interested parents to kindly submit the duly filled in pro forma to respective class teachers on or before 11th May'15. On receiving your consent, a meeting of parents will be convened shortly in the school to decide upon the modus operandi and schedule for parents' escorting the various bus numbers, etc.

With sincere regards,

Principal
